

The Kingston Film Office and Queens Film & Media in association with Dedo Weigert Film Presents:

A Full Day Lighting Workshop

with Mr. Dedo Weigert

This presentation will include **Powerpoint, video, live demonstration** covering the following topics and more...

- 1 **LED:** an overview of today's reality; how it has changed our interpretation of light.
- 2 Colour spectrum, CRI, TLCI; spectral distribution
Colour triangle, light efficiency.
- 3 **Drama lighting;** new styles, new possibilities, fewer tools.
- 4 **TV Studio Lighting Design:** a mixture of structured light and soft approach.
The creative use of projection attachments and background imaging.

An in-depth look at reflective systems design for both film & television.

And featuring the Canadian premier of

LIGHTSTREAM:

The New Reflective Lighting System

Workshop will be followed by Q&A and hands-on time with the equipment used in the presentation. **This event is free** but seating is limited and reservations are required.
